## Snow Costs \$97,000

The three weekend snow storms which dumped a total of 30 inches of snow on Arlington has cost the Town some \$97,000.

Total cost of all work on snow and ice for the winter is \$97,236. This is the report as given to this paper by Town Manager Edward C. Monahan as of early this week (late Tuesday).

The first storm, cost \$21,532.30 (three days were required to clean up this nine inch snowfall.)

The second cost \$35,000. (three and one-half days were required to clean up this 14 inch snowfall)

One day of battling the latest storm, Sunday (seven inches) cost the town \$9,024.55.

In addition twenty-three and one-half days of clean-up costs and normal winter operations (Continued on Page 6)

### Tina Second

Albertina "Tina" Noyes, 16, Arlington's outstanding figure-skating champion finished second to Peggy Fleming in the ladies division of the National Championships held last week in Berkeley, Calif.

Miss Noyes finished third in the Nationals last year. "Tina," along with fourteen other American skaters will represent the United States at Davis, Switzerland, Feb. 2-27 for the World Figure Skating Championships.

## Vandals Hit Parking Meters

Damage to parking meters in the Municipal Parking Lot (Russell Common) will cost the Town of Arlington \$1,162.95.

This was the report made by Town Manager Edward C. Monahan to members of the Board of Selectmen Monday night. In addition some \$175 in parking meter receipts was reported missing.

Monahan's report came from the Police Department. The damage was discovered on two separate days by Arlington Patrolman Gerald J. Connors.

Connors in making a routine check Jan. 25 discovered that nine meters had been damaged on the Mystic st. side of the lot.

Two days later at approximately 4:30 a.m. while making another routine check the patrolman found another 15 meters had been damaged, this time on the easterly side or Medford st. side of the lot.

In his report relative to the Jan. 27 damage, Patrolman Connors reported that he and Sgt. Bradley had checked the lot at 12:10 a.m. and at 2:30 a.m.

placed from present inventory amounting to \$252.75.

Selectmen and the Manager discussed the report as presented at length with the Board discussing the possibility of "vandal-proof" meters.

Mr. Monahan stated that he would at this point seek closer police inspection of the area.

### To Withdraw

A spokesman for John Bullock told this paper at press time that Mr. Bullock would not be a candidate for Selectman and would withdraw from the race on the only day for withdrawal on Monday.

The spokesman also indicated that the reasons for withdrawal are related to circumstances that have developed since Mr. Bullock filed papers Saturday.

Mr. Bullock is expected to enlarge on the matter in a letter to this paper at a later date.

Town Clerk Ann Mahon told this paper that withdrawal forms had been taken out by a spokesman for Mr. Bullock Wednesday morning.

In a cover letter on the matter, Police Chief Albert E. Ryan reported that 24 (twin-type) case assemblies; 18 movable assemblies; 15 coin boxes; 15 door assemblies complete; 18 back dials; 40 front dials and 48 lock cam levers had been damaged.

Ryan further reported that the case assemblies, movement assemblies, back dials and lock cam levers must be purchased, at a cost of \$910.20, while the remaining damaged parts can be replaced.

## THE Observer

Just an early prediction, but this paper feels that the Article numbered 76 in the Annual Town Warrant — "the proposed change to Residence E of several properties in the Mt. Gilboa neighborhood" will cause as much controversy as any other article in the Warrant.

A lonely sight is the M.B.T.A. shelter or what there is of it on the east bound side of Rt. 2 as one heads down Belmont Hill.

The thing is set back several feet from the road and the snow in front of it is piled "yeh high".

What is its purpose at this stage of the game?

—And speaking of snow removal — all "lack of removal" cannot be traced back to the Town.

Residents must bear some of the blame.

Unlike some communities and like some others, Arlington does not plow all its sidewalks. Those in the vicinity of schools are plowed, along with certain other indicated areas.

So it is to be that many of the sidewalks around town are covered with a mantle of white as deep as that on the nearest lawn.

Safety Officer Sgt. Arthur Guarente has the words for it. He says to clean off your sidewalk and meet your neighbor "shovel to shovel".

Unshoveled sidewalks throughout the community present a definite safety hazard in the Town.

The average pedestrian, won't even bother to use the sidewalks that are plowed if other sections are not, and he has to wander back and forth from street to street to driveway.

Like the average "lazy" sort of pedestrian he is, he will just walk on the road.

—And what does one have when pedestrians walk on the road? Pedestrians and automobiles battling for space — and you know who must win this contest.

No election predictions please.

Let's give one and all a chance to sit and think for a week.

The Observer's promise next week will be politics and plenty of them as the scene around town will be viewed.

This paper has received many varied complaints about snow plowing during the recent surge of winter into the area — and we have viewed a few instances where conditions could have been much better — in fact aired these views.

Evidently, the Selectmen have been receiving complaints a-plenty too.

But there are two sides to each and every story.

As soon as one mentions Arlington streets being well-plowed, someone else jumps up and says, well, such and such a town has much better plowing.

This may be true, but there are also communities where plowing has been much worse.

Some of the blame must rest with officialdom, if the plowing is adjudged to be bad, but at the same time, an equal share must be blamed on the weight of the snow, the rain, the cold weather, and residents who leave their cars on streets and throw snow onto the roadway and along side their driveways.

Town Manager Monahan reported to the Board of Selectmen Monday night that six plow blades, valued at \$4500, had been broken during the heavy snowfall two weeks ago, so if you blamed the town, maybe it is deserved, but let's not throw too many rocks until we make certain we don't live in a house of glass.

### Open Meetings

How the passage of time catches us all under its all-enfolding wing.

When someone says to you, "Don't you remember when this or that happened?"

Your answer most likely will be "yes it happened six or seven years ago," but then reflecting we say, "maybe it was eight or nine years back."

How true.

—So just off hand for the test of memory, when was it that the meetings of the many boards of cities and towns were opened officially by Legislative Act?

Quickly now —

No it wasn't 1960 nor '59, it was to be exact Oct. 7, 1958, when the then Governor of the Commonwealth Foster Furcolo affixed his signature to the law, the purpose of which was to open meetings so that matters of public interest might be settled in public.

To the credit of the Town of Arlington, some of the Town's office holders were already striving to open meetings.

Arlington's Board of Selectmen had been holding open sessions some time prior to the final approval of the law.

The local School Committee had taken a number of votes over a long period of months on the question of opening meetings, and even though such requests were defeated, the attempt was there.

### THE LAW IN BRIEF

Quoting something which hasn't been said in print for a long number of months, Section 23-A, Chapter 39 of the General Laws states: "All board meetings shall be open to the public and the press, unless the Board votes to go into executive session. Such executive session may only be held for the purpose of discussing, deliberating or voting on those matters which by general or specific nature statute, or federal grant-in-aid requirements cannot be made public, and those matters which if made public might adversely affect the public security, the financial interest of the district or town, or the reputation of any person; provided, however, that the meetings of any such board, which shall be investigating any board or agency of a municipal government, or any legislation which could ultimately change or alter the existing governmental structure of a town shall, at all times be open to the public and the press, notwithstanding a vote of such board to go into executive session."

All of which boils down to the fact that the only time boards may go into executive session are: "when the reputation of a person is involved; when grants-in-aid, such as welfare benefits are being discussed or when publicity would damage

M.D.C. officer Robert J. Roche, 97 Woodside lane, recently completed a one-week "keep sharp" course for M.D.C. police on the latest developments in law-enforcement.

Among those serving on the Cotillion Committee of the Young Women's Auxiliary of the Armenian Holy Trinity Church, Cambridge, is Mrs. Ara Asadorian, debutante chairman.

Miss Agnes Bixby of Arlington has been elected Administrative Secretary of the

the community's financial security, welfare or safety.

So why then is this paper quoting this law, spouting off about eight years of open meetings, etc.

The answer may be explained this way. The reason for doing something tends to become lost because of habit when time is involved.

### WHY THE REPETITION

In recent months the number of inquiries as to what happens in executive session have increased.

This writer and this paper have been put on the spot by persons asking "what happens in executive session?"

So the thought was this.

Boards have changed in eight years, residents attending such meetings have changed in eight years, and readership has changed over that same period of time, thus those who ask may be unfamiliar with the process, thus the repetition above.

This reporter does not know whether or not other items than those scheduled to be discussed in executive session have been discussed over the year. It is to be assumed that such could have been the case, occasionally for it is very easy for three or more Board members to begin by discussing the "intended" subject and "wind" up discussing six other things.

However, this reporter has had very fair and very trustworthy relationships with boards throughout the town over the years.

Whenever we asked a question we got an answer, and at times the parties involved volunteered the information, noting that they were hiding nothing.

### SHOULD SHARE IN SHAME

We know there are those who would now say, "boy are you naive," they've been putting things over on you for years.

We can't believe this to be true. However, if such should have been the case, then we should be ashamed for having "been taken in" and missing out on some part of keeping the public accurately informed.

And those who might have violated the law by not sticking to the rules, should be ashamed for having betrayed the trust bestowed on them by the voters of the Town.

So there is, our little story about the "Open Meeting" law.

Whether it has been violated over the years, either accidentally or purposely by any governing body or individual holding town office in this community, only that body or that individual will know — and only he or she will have the mirror of conscience reflecting the guilt.

### — TO THE EDITOR —

Dear Sir:

For a number of years, residents in the Peirce School area have been concerned about the lack of traffic signals at the intersection of Route 2A (Summer st.), and Park avenue extension. Many accidents have occurred in this area. Motorists and pedestrians alike, shared this concern. Although their fears were often expressed, they continuously found

themselves at an impasse until this past year.

When the situation was called to the attention of our present legislators, Senator Philibert Pellegrini, and Rep. Edward (Ned) Dever, wheels started turning in our favor. The news that we will soon have traffic control signals here, is indeed welcome.

The following people wish to extend their "thanks" to these two men, and all others who helped to obtain these lights.

### Babson Discusses

### BETTER DAYS AHEAD FOR FARMERS

### Exclusive News Feature

Babson Park, Mass., February 3. Our nation's farmers earned better incomes in 1965 than for any other year in well over a decade. Realized net farm income was approximately \$14 billion. The outlook is for a further boost in 1966. Let's see why prospects are so favorable.

### STRONG DEMAND FOR LIVESTOCK

Farmers have not always participated as fully as other segments of the population during times of economic expansion. But in recent months, agricultural income has been bolstered by an especially strong demand for livestock. The country's large cattle supplies have been moving easily and quickly into consumer channels to satisfy the American appetite for beef. At the same time, a big jump has occurred in prices for pork and bacon because of a sharp cutback in the number of hogs farrowed.

The boom in livestock reflects increases in the U.S. population, record employment, and still rising personal incomes which permit more leeway and discretion in food and other buying. These bullish factors should continue to operate throughout much, if not all, of 1966.

### INCREASED PRODUCTIVITY

Although we are still plagued by surpluses of some agricultural products — which cost many, many millions of dollars to store under government price-support programs — these gluts are not as burdensome as they once were. Curiously enough, Uncle Sam's often half-baked farm price-support programs now look like they might pay off in an unexpected manner.

For a quarter of a century, the government tried to limit farm output of selected crops by paying a sort of bonus to farmers who would take land out of production. They assured these farmers that prices for the grains or other crops that they did harvest and put under loan with the government would not dip below certain realistic floors. The result was that farmers cut back their acreage, but then used every means possible to boost productivity. In many cases yields per acre have nearly doubled since 1945.

### EXPORTS TRENDING HIGHER

This ability of our farmers to increase their productivity and to vary it as conditions warrant will stand us in good stead now. For we are on the threshold of a great expansion in demand for our farm products. There is a very good chance that total trade shipments of U.S. farm produce to foreign countries will set a new record this year. Increasing economic activity and rising incomes in Western Europe, Japan, and Canada will almost certainly be providing wider markets for our crops.

Over the longer pull the outlook is equally bright. Other nations besides us are in the grip of population explosion, and they will have to look to the large crop-producing countries for needed supplies. Soviet Russia, for example, may well be approaching the point where she cannot — on a regular, sustained basis — produce enough grains and feeds to take care of her own expanding population.

### FOOD FOR PEACE

Beyond the expected increase in our commercial farm shipments abroad, there is still another outlet for our produce. Agricultural surpluses now being stored in government bins at enormous cost to taxpayers could be shipped to underdeveloped areas of the world in much larger quantities than is now being done.

For needs in the world's developing countries are rising sharply. Unless they are met soon, hunger will become an even more serious problem in widening areas of the globe. We predict that Congress, this year, will approve a more realistic food-for-peace program through which we will move sizable surpluses and, at the same time, help the developing nations to increase and improve their own farm productivity. This would greatly benefit our own U.S. farm community.

cella, Mr. and Mrs. T. Frazier, Mr. and Mrs. F. Gunter, Mr. and Mrs. E. Foley, Mr. and Mrs. A. Battiste, Mr. and Mrs. J. Desher, Mr. and Mrs. H. Bradley, and Mr. and Mrs. McCabe. Sincerely,  
Mrs. Joseph F. Souza

## Sports

### Sidelines

An Arlington high sports team which gets little public attention, but one which has come up with a powerhouse this season is the gymnastic team.

Coached by Mr. Fairbanks, this club has won five straight, as the result of its triumph over New Bedford last week.

Previously the local team had wins over Watertown, Weymouth, North Quincy and Brookline.

Spark of the club is Dave Sullivan, who is co-captain and averages 18 points per meet.

Arlington high track captain Tommy Spengler tallied three points for his team in the State Track meet, Saturday.

Wakefield high school's junior varsity team edged Arlington high's J.V.'s for the second time this season last week, 4-2.

Wakefield's bench moved to the front in the final canto as the winners tallied a pair of markers.

One of this town's outstanding sportsmen recently retired from the Arlington police department. Billy Burns, long associated with A.Y.A. activities, retired at the end of the year after more than 40 years of service.

One winning streak of four

games and the Bruins suddenly merit more and larger headlines and radio and T.V. coverage than the Celtics receive over a week's period.

What would happen to the Celtics if they suddenly finished lower than first place.

Several undefeated teams remain in Park Dept. competition in Arlington. The Rangers have a 2-0 mark together with a pair of ties in the Bantam hockey race.

Meanwhile, the Cutter Lakers and Peirce Knicks pace the Eastern and Western divisions in the Grammar school basketball circle.

The Jets and Mohawks each have 4-0 records atop the Adult Hoop Loop.

No team is undefeated in the High School division, but three teams, St. Camillus, Boys' Club and American Legion all sport 7-1 marks.

The point spread between winner and loser has not been as great this year in the Grammar School league as in the past, although two games resulted in the losing team picking up only two points, while the winner was in the twenty and thirty area.

Art Blanchard, former A.H.S. and Bates hockey star is J.V. coach at Melrose high; he also is a science teacher.

St. Agnes Clippers kept

their hopes of finishing in a tie for first place alive with a 4-0 win over the league-leading entry from St. Patrick's of Stoneham at the B.C. rink Saturday.

Bob Dwyer scored three of Arlington's four goals.

The big game will be held Feb. 12 when the Clippers meet the Stoneham entry again, with first place in the balance.

The powerful Arlington high school freshmen hockey team remained undefeated last week with a 3-2 win over the Andover Academy J.V.'s and then a 13-1 win over Archbishop Williams Saturday a.m. in a league tilt.

Tony Lyons had a hand in all three goals in the Andover win. He tallied early in the first period and then picked up an assist on Pete Flanagan's marker.

The Academy team then scored two quick goals to knot the count.

Lyons then tipped in Dave Brine's hard slap shot in the last minute of play for the win.

Lyons and Johnny Corbett scored three goals each in the Archbishop Williams win with Dave Brine adding two others.

The 9th through 13th marker were scored by Kent Davidson, Bernie Quinlan, John Lyons, Wayne Hale and Pete Flanagan.

Arlington high school's hockey team chalked up its 9th straight G.B.I. league win Saturday, defeating Cambridge Latin 3-0. The shut out was the fourth in succession for Arlington net-minder Dom Apprille.

Newton remained four points behind Arlington with a 6-3 verdict over last place Somerville.

However, the biggest story of the schoolboy hockey season, wasn't who won or lost, but the stunning 4-3 victory of Rindge Tech over Medford.

The win for Tech tied the two teams with 3-5-1 marks for the season.

However, its the way it was done that is surprising. Medford led 3-1 with 56 seconds left to play, and in 43 seconds, the Cambridge team slapped in three goals to grab victory from defeat.

Steve Donnelly tallied two goals and Co-capt. Johnny Deveau was credited with three assists as Arlington beat a scrappy Cambridge Latin team 3-0.

After a scoreless first period, Donnelly scored with Deveau getting the assist.

Donnelly tallied his second goal in the same period with Deveau and Havern receiving credit for assists.

The third Arlington goal came in the third period with Havern scoring from Deveau and Byrne.

#### Celtics Sidelights

by Bob Morello

**JOHN HAVLICEK**  
Height 6'5" — Weight 205  
Age — 25  
College — Ohio State, '62  
Home — Adena, Ohio

John comes a close second to Frank Ramsey in being the best "sixth" man in pro ball. The one-time Ohio State luminary never was a rookie. While he admittedly has improved upon his game over the past three years, he played like a veteran from the day he first put on a Celtics uniform.

John was the hero of last season's playoff game when he intercepted Hal Greer's pass-in with 5 seconds left. He alternates between front and back court, and is outstanding on defense.

A four-sport star in high school, he teamed with Jerry Lucas and Larry Siegfried on Ohio State's 1961 NCAA title team. Even though he played no football at Ohio State, John was drafted by the Cleveland Browns, but was released just before the season opened.

As a sophomore "Hondo" as he is nicknamed, led the Celtics in scoring. Last season, hampered by an injury, he still came in second. He shoots at a 40.1 clip and averages 18 points a game.

## Park Department Hockey

In the fourth round of games in the Youth Hockey Program sponsored by the Arlington Park and Recreation Department, the Bantam Rangers held onto first place as they eked out a one to one tie game with the fast skating Maroons.

The Maroons carried the play from the opening face-off and jumped out to an early lead on a goal by Paul Donnelly on an assist from Kevin Donovan.

Despite several extended periods of constant pressure, Ranger goalie Frank Agostino was equal to the occasion.

Late in the game, Ranger defenseman, John Renauro deadlocked the contest, assisted by Allan Glennon. For Renauro, it was his fourth goal of the season.

The Canadiens won their first game of the season as they outskated the Red Wings 4-2, in the highest scoring game of the year. Kevin Carr had two goals for the Canadiens and John Shea had a goal and an assist, while Paul Messuri scored once and Ken Duffy added an assist to spark the victory.

Steve Magliano drilled in a long shot for the Red Wings and Bob Hutton

scored on a pretty pass from smooth-skating Maurie Corkery to account for the Red Wings' final tally.

The Pee Wee Black Hawks swarmed all over the ice against the Rockets but had to swallow a one to nothing defeat as Ron Crescentini sparkled in the Rockets' net. Jack Hurd was foiled twice by Crescentini, and two other times by his shot hitting the post.

The only threat by the Rockets resulted in a score as Jack Repetto carried from his own end and fed Herb Rikeman who slapped the puck in to win the game and knock the Black Hawks out of first place.

The Pee Wee Maple Leafs, evened their record at 2 wins and two losses by nipping the Bruins 3-1. Alan Quinlan combined with Matt Teevan on all three Maple Leaf scores with Quinlan scoring twice and Teevan once. Jeff Corbett avoided the shutout for the Bruins as he scored on a combination from Steve Pompey and Larry Prior.

Arlington Catholic high school's hockey team kept its hopes alive in the Catholic league with a 7-2 decision over Austin Prep, Sunday.

Catholic is still three points behind league-leading Matignon and one point behind second place Xavier.

Donny Coleman sparked the Arlington attack with four goals and two assists, Bob Shea tallied the other three Arlington markers and added two assists.

The locals jumped out front 3-0 in the first period, and after a single marker by Austin in the second stanza, scored three second period markers.

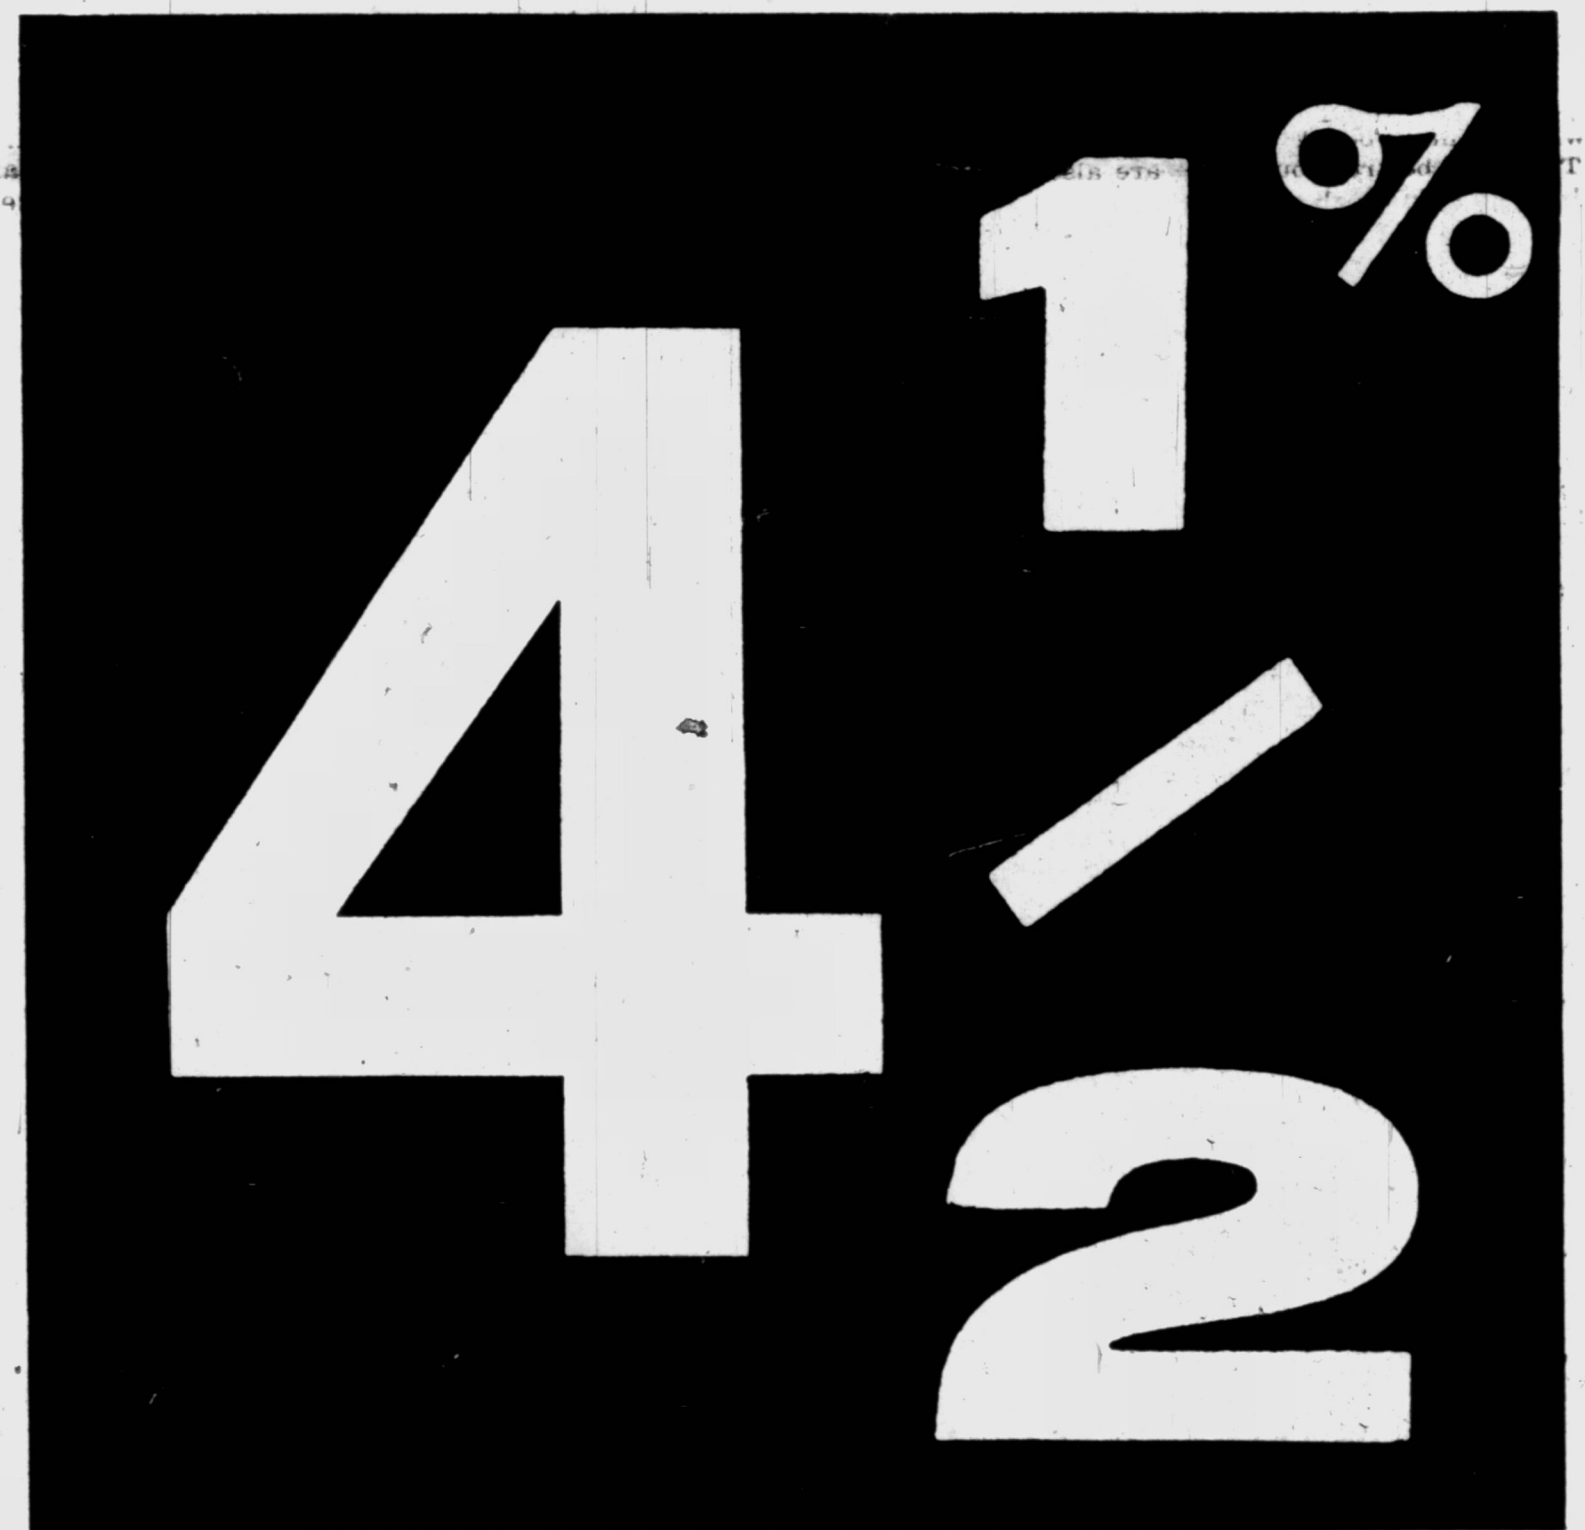

Austin made it 6-2 in the third period before Arlington tallied its seventh goal late in the game.

Arlington's two high school basketball teams got back on the winning trail Friday night with Arlington Catholic beating St. Mary's of Cambridge 76-69 and Arlington high beating Newton South 56-46.

The A.H.S. win snapped a five game losing streak for the local team, while the A.C.H.S. victory kept the locals above the .500 mark for the season.

Tourney, after making it a year ago, while Arlington high is struggling to move up in the Suburban loop.

Arlington high outscored Newton South 16-10 in the opening period and 18-14 in a high scoring fourth period and matching points in the middle two stanzas.

John Donovan tallied 24 points with eleven hoops from the floor and two more from the foul line. John Driscoll tallied seven foul shots and two baskets for 11 points.

Arlington meets two of the top teams in the league this week, Weymouth and Waltham.

Three members of Arlington Catholic tallied in double figures as the local team outscored St. Mary's at St. Agnes gym.

Billy Regan tallied 18 on eight shots from the floor and three from the foul line, while Capt. Steve Dooley added 14 and John Crowley 12.

Gov. John A. Volpe this week issued a proclamation in observance of Greek Letters Week by the Greek Orthodox communities throughout the state. Shown are Gov. Volpe and board members of the St. Athanasius church in Arlington, from left, John Macaris, Fred Karageanis, Atty. George Gennis, and Peter Stacey. Also pictured are the Rt. Rev. Gerasimos, Bishop of New England, third from left; and the Rev. Michael Vaparis, pastor of St. Athanasius church, extreme right. The Governor notes that Greek, as the language of the fathers of philosophy, science, democracy, and civilization, as well as the greats in these fields, should be honored; and that scholars recognize the stature of Greek-medium through which the Hippocratic oath was handed down, the New Testament was read, and scientific foundations laid.

## Arlington Obituaries

**WARREN SEAVEY**  
Warren A. Seavey, 85, of 79 Aberdeen Rd., Weston, who retired from Harvard Law School in 1955 as Bussey Professor of Law Emeritus, died Jan. 18 of a heart attack.

Prof. Seavey was an authority on complex legal problems of agency, torts, judgments and restitution. After his retirement from Harvard, he continued teaching at Boston College Law School, New York University, the University of Texas, Vanderbilt University and Washington University in St. Louis.

A native of Boston, he was graduated from Harvard College in 1902 and from Harvard Law School in 1904. Two years later he went to China where he organized the law school of Peking University in Tientsin. For this work he was awarded the Order of the Double Dragon.

After serving with the army in World War I, he taught at several law schools until he joined the Harvard faculty in 1927.

He lived for many years in Alton, N.H., but spent the winters with his son in Weston.

Mr. and Mrs. Seavey were for many years active in the Pleasant St. Congregational church.

Memorial services in the Memorial church, Harvard University, will be held Jan. 24 at 4 p.m. in lieu of flowers memorials may be made to one's charity.

Besides his wife, Stella (Crowell) he leaves a son, Robert W.; and a daughter, Mrs. Allan (Barbara) Cornack of Winchester.

**JAMES KIDDER**  
In Winchester on Jan. 25, James W. Kidder, husband of the late Alma (Stone) Kidder, of 7 Brooks st. died after a long illness.

Mr. Kidder was the father of James W. Kidder, who served in many areas of the world, he began his ministry as curate of St. Andrew's Cathedral, Honolulu. He was then a chaplain in the U.S. Army in Korea for thirteen months, after which he served in Austria and Italy.

of J. Norton Kidder of Winchester and Mrs. William A. Sanderson of West Simsbury, Conn. He was the brother of Mary E. Kidder of Winchester.

Mr. Kidder lived in Arlington for many years, and moved to Winchester in 1959, following the death of his wife. A graduate of M.I.T., was employed by N.E. Tel. & Tel., 1906-1948. He was on the School committee, served as Deacon of the First Baptist church in Arlington. He was also Town Meeting member. He was secretary of his class at M.I.T. for fifty years. Services will be held at the First Baptist church, Arlington, on Jan. 28, at 2 p.m.

Visiting hours will be held at the Berglund Funeral home, 292 Mass. ave., Thurs. 7 to 9 p.m.

If desired, contributions may be made to the memorial fund of the First Baptist church of Arlington.

**LUCY WALKER**  
Funeral services for Lucy S. Walker, widow of the late Frank H. Walker, were held in Edith Fox chapel, of Pleasant St. Congregational church on Jan. 21, conducted by Dr. Stuart A. Haskins, pastor.

Mrs. Walker died suddenly on Jan. 17, while visiting her daughter, Mrs. Paul Vonck, whose home is in Skanateles, N.Y. Although born in Boston, her early life was spent as a resident of Somerville. After her marriage to Mr. Walker, the couple made their home here over fifty years ago on Ravine st.

Both were active in Town social and church affairs. Widowed several years ago, her main interest was her home and family. She maintained membership in Symmes hospital Womens' aid, Arlington Circle of Florence Crittenton League, Arlington Womens' club, Women's Republican club; Pleasant St. Congregational church and the Anna Bradshaw Guild. Besides her daughter, Alice, she is survived by her son, Sears, of Belmont; four grandchildren and two great-grandchildren.

Interment was in Mt. Auburn cemetery.

**PTA COUNCIL**  
The Arlington Council of Parent-Teacher Associations will hold their annual School Committee Candidates night at the Junior High East auditorium on Wednesday, Feb. 16, at 8 p.m.

### 19 File —

(Continued from Page 1)

By the time the filing deadline rolled around at 5 p.m. Saturday, Barnstead and Liani had not filed papers, but former Selectman John Bullock had filed. Thus the picture now had Greeley, Homer, Bullock and Leone seeking the two seats. Meanwhile, Eugene Cancelliere, who had taken out papers for both the three and five year terms on the Housing Authority did not file papers for either. Thus the battle for a three year term caused by a resignation now will be waged among Christopher Cammarata, Paul Cantrell, James Coffey, John Hogan and Al Weismann. Incumbent Myron Chace still has some competition for the five year term, even though the only other candidate, Cancelliere, had not chosen to run. Frederick R. Buckley filed papers Saturday. The contest for School Committee remains the same with candidates Robert K. Burke, Thomas D. Kenna and Claire C. O'Neil competing with incumbents Mary K. Carter and Arthur Coughlin for three seats on the Committee. The other incumbent, Richard Baker is not seeking reelection. Three office holders are running without opposition. They are Town Clerk Ann

### FIDELITY HOUSE

After spending the morning at the Museum of Science, more than 80 Fidelity House members went to the top of the Prudential Center to enjoy the breathtaking view. Arlington is plainly visible from this vantage point along with the entire Boston Harbor, Logan Airport, etc. While at the Museum of Science, the children were impressed with many exhibits including life size models of Apollo, Gemini and Mercury space capsules, the live animal demonstrations, locomotive models and many other exhibits. Other events of importance to be held at Fidelity House in the near future include:

The monthly cards party to be conducted by the Friends of Fidelity House Feb. 10 beginning at 8 p.m. The monthly co-ed social for high school members will be held on Friday evening, Feb. 11 beginning at 8 p.m. Members may not only dance to the juke box, but also use the gym and games rooms as they wish. Refreshments will be served. Admission by membership ticket only. The CYO is planning a swimming party, Feb. 13 and a Ski Trip on Feb. 21. Tickets for both events will be available at Fidelity House. The Tenth Annual Mother and Son Dinner will be held on Monday evening, Feb. 14. After a feast prepared by the Friends of Fidelity House, Mothers and Sons will be royally entertained. The all important Achievement Awards will be awarded at this dinner. Tickets are available now at Fidelity House.

Ask Zoning Map  
A communication to the Board of Selectmen from C. F. Mistretta, District Highway Engineer, State D.P.W. requesting a copy of the Town's Zoning Map to assist them in an inventory of outdoor advertising signs, displays, etc. in connection with the Highway Beautification Act of 1965 was referred to the Town Manager.

### Resolution —

(Continued from Page 1)  
uneasiness over the renewal of the bombing of North Vietnam by this our country.  
2. Our support of the move by this country's administration to bring Vietnam crisis before the United Nations.  
3. Our belief that programs of peace, aid, and economic development whether in foreign or domestic fields — must not be sacrificed to the war effort.  
4. Our conviction that full, free, and informed discussion, both in the Congress and the public, is essential; and to this end we dedicate ourselves and our pulpits.

Signed by the following Arlington clergymen — S. Robert Beaumont, Wilbur D. Canaday, Jr., Stuart C. Haskins, William W. Lewis, Robert C. Mezzoff, Robert P. Noble, Jr., Ira J. Roberts, Robert E. Slaughter, Edward J. Smith, III, and Gerald H. Van Fleet.

Mahon; Treasurer - Collector Francis Coughlin and Assessor John Byrne. The papers of all candidates had been certified as of Monday.

## At The Boys' Club - - -

The Arlington Boys' Club sent six representatives to a Northeast New England Area Arts & Crafts competition held at Manchester N.H., Jan. 22.

All the boys worked very hard on their projects and brought home a third place finish for Arlington.

John Mecier won a first prize in his division for his clay exhibition of Noah's Ark.

Chuck Tranganos entered his fine picture made from peas and beans.

Dale Bloedow made a fine rack in the wood shop while Alan Davis did an expert job on his luncheon set done in block printing.

In the older age group, Gene Ferola constructed a serving tray made of domin-

oes. Tom Prato spent many hours whittling an outstanding lamp base from a block of pine.

All in all, the boys enjoyed the trip immensely and felt they learned a lot but were happy to come home to their craft shops and friendly instructors Gloria Cooke and Bill Richardson.

A Radio Club will start at the Club, Feb. 5 from 10-12 Noon. Boys interested in obtaining a novice license or learning the intricacies of short wave radios should come to the class. There is no charge for this very worthwhile program. The Club is under the direction of Dave Garrity, a qualified ham operator who is the head of regional headquarters.

### New Rules At Lights

Signs explaining Arlington's new traffic lights will soon be placed at intersections where these lights are located for the convenience of those not certain of how the lights are operated.

The lights at the Mass. ave. - Medford st. intersection will be on automatic operation from 7 a.m. to 7 p.m., on push button operation from 7-11 p.m. and on flash from 11 p.m. to 7 a.m.

The lights at Mill st. and Mass. ave. and at Franklin st. and Mass. ave. will be on push button operation, while those at Pleasant st. and Mass. ave. will be on automatic.

The new "walk-don't walk" signals show the walk signal for approximately nine seconds, then change to a flashing red "don't walk". Those pedestrians already in the street when the flashing "don't walk" goes on continue to cross, while those not yet started from the curb must then await the next walk cycle.

### To Meet Board

New members of the Arlington police and fire departments will meet members of the Board of Selectmen from now on.

The request by members of the Board to be introduced to the new members of the "men in blue" came at action Monday night.

At the same time a communication from the Chief of Police noted that officers Douglas Peters and Donald Coleman are to attend the State Police Academy in Framingham for training of police officers.

### Accept Resignation

Selectmen Monday night accepted the resignation of Robert A. Bowers, as a member of the Uncle Sam Fund Raising Committee.

The feature game of the Eastern League saw Cutter take over first place by defeating Crosby 16-15. Bavel Cummings scored the winning two points with less than a minute remaining to keep Cutter undefeated.

Wayne Miller (4 pts.), Bill Solari (4 pts.) and Charles Cremmens helped the Cutter effort while David Spellman (6 pts.), Gregory Papazin (4 pts.) and Nick Sacca played well for Crosby.

The Thompson Patriots led by John Donovan, Mike Murray and Brian Egan defeated the Bishop Crusaders 28-14. Joe Murray (5 pts.), Ron Cacarro and Tom Gennis starred for Bishop. Paul Tempallo scored 10 pts. as the Hardy 76ers beat the Parmenter Hawks 35-2. Dan Artesani (8 pts.), Gerry Oulette (6 pts.) and Dave Thomas led the surge for Hardy with John Wright as the only bright spot for Parmenter.

The Stratton Celtics registered their second win of the season over St. James 10-8. Tom Campbell, Dave Girardi, and Jim Donovan led the surge for Stratton while Joe Castelli and Brian Milligan played well for St. James.

The Boys' Club gymnasium is a bee-hive of activity at all times.

Friday evening it was reminiscent of an "obstacle course" at a basic training camp for soldiers.

Physical Director, Bill Sullivan and 9 members of the Menotomy Keystone Club set up an obstacle course that was a real test for the members of the Boys' Club. They had to crawl, creep, climb, jump, run, swing on a rope and hand over hand on an overhead ladder.

Winners of the various age groups and their times are as follows: 8 yr. olds — 1st, John Pandolof, 1 minute and 45 seconds; 2nd, Bob

## Exhibition At Library

An exhibition of painting and sculpture by the members of the Arlington Art Ass'n is open to the public in the gallery on the third floor of the Robbins Main Library. This is the first large show of this season for the Art Ass'n.

Organized a year and a half ago, after a Philharmonic "Pops" concert-Art Exhibit, the Association answers a need for the local artist to have contact and friendship with fellow artists. Even though still in the process of organizing, the club has already offered members many opportunities to exhibit in town in the past year, live demonstrations of painting technique teaching films on watercolor, oil, landscape and portrait, and lately workshops. Future plans include a continuous rotating exhibit in the lobbies of Symmes Hospital, continuation of the current picture of the month in each of the library branches, and the annual "Pops" concert-Art Exhibit on Friday, June 3, at the Town Hall.

Members whose art work has been in the gallery through today Feb. 3, include Betty Asadorian, Evelyn Carlson, Tom Corcoran, May Cummings, Catherine Cunningham, June Cunningham, Frank Doran, Ernest Farese, Eunice Fox, Prudence Green, Antoinette Susan King, Shirley Houghton, Marion Latty, Philip MacFarlane, Marjorie Martin, Lydia Mariner, Anthony Milici, Elsie Norton, Fred O'Connell, Helen Protheroe, Elizabeth Saunders, Eelyn Shilliday, Jan Weltons, and Frances Winn.

This month at the Dallin Branch, Marjorie Martin is showing "Fishermans' Delight" to be followed by Evelyn Carlsons "Orleans Boat-house". The East branch has on view Prudence Greens "View from Turkey Hill" to be followed by Marion Lattys "Artists Window". To be seen in the main 3rd floor music room in January is Philip MacFarlanes "Sunrise". This will be followed by Anthony Milicis "Bend in the Road".

Library exhibits are open to the public during regular library hours.

"BX" wiring must be in a dry location. Continual sweating in barns in winter will seriously rust "BX" with the danger of short circuits. Good non-metallic wiring is available for damp locations.

## A.H.S. Students Do Well on College Board Exams

### Sadie Bishop

Sadie E. Bishop, 19 Moulton rd., died suddenly, Jan. 16.

She was born in Pembroke and belonged to the following organizations: Past Pres. and Sec. All Dorchester Post 154 AL, Golden Age Club and Members of Past Presidents Parley.

She is survived by her husband Richard A. Bishop; her son Richmond A. Bishop and daughter Mary Mauchan; brothers Ernest Levings of Arlington, Howard Levings of Hanover; and her sister Mary G. Slinger of Brockton.

Funeral services were held at the Daniel F. O'Brien Funeral Home, 226 Mass. ave., Arlington.

A native of Providence, R.I. Conway joined the company in 1935. He has held various line and staff responsibilities throughout its five states, served as general personnel supervisor and most recently as a division traffic superintendent with offices in Arlington.

Arlington High's seniors who took the College Board scholastic aptitude tests in December did very well, according to figures just compiled on the basis of reports just received from examination officials. Local students scored well above the national averages on both the verbal and mathematics sections of the test. Where the national 'mean' score on the verbal part of the test was 453, Arlington's 'mean' was 512; and on the mathematics section of the test the national 'mean' was 485, while Arlington's was 544. Scores are spread from a minimum of 200 to a maximum of 800.

### John Ryan

John J. Ryan, 7 Field rd., died suddenly, at noon, Jan. 11, at the age of 72.

He was born in W. Roxbury, educated in St. Mary's School, Cambridge. He was a Veteran of World War I serving in the Hospital Corps.

He is survived by his wife Abbie J. Ryan (nee Regan) and his daughters Mrs. Edith Collins, wife of Dr. James Collins of Topsfield and three grandchildren.

A Solemn High Mass was celebrated in St. Agnes Church, Arlington, on Jan. 14. Burial was in Mt. Pleasant Cemetery, Arlington.

Nationally, there were 34 per cent of the students who scored 512 or better, while in Arlington 50 per cent did on the verbal, while in mathematics 33 per cent scored 544 or better nationally, while in Arlington 50 per cent did.

Across the nation, there were only 2 per cent who scored above 700 in verbal, and 3 per cent in mathematics. In Arlington, the figures were 3 per cent and 7 per cent respectively. Students who scored above 600 were 15 per cent and 20 per cent nationally in verbal and mathematics, while in Arlington the percentages were 22 per cent and 31 per cent respectively.

The 500 score, which is considered for general thinking the score one must get to have a good chance to get into some good college, was attained by 43 per cent of the students in verbal and 47 per cent in mathematics nationally. Arlington's seniors had 64 per cent of the students attaining this score in verbal, and 72 per cent earning it in mathematics.

To summarize Arlington's standing, then, of the 245 seniors who took the examinations, in the verbal section of the test 6 per cent scored 700, or over; 23 per cent scored 600, or over; 52 per cent scored 500, or over; and 88 per cent scored 400, or over.

In the mathematics section, 7 per cent scored 700, or over; 34 per cent scored 600, or over; 71 per cent scored 500, or over; and 92 per cent scored 400, or over.

The above is a scene from "Othello," starring Sir Lawrence Olivier, the motion picture presentation of one of the most widely acclaimed productions of Shakespeare's works, which will be shown at the Regent Theatre, Arlington Center, on Wednesday and Thursday, Feb. 16 and 17.

Four performances only will be given during the limited engagement, with one matinee and one evening performance each day. Tickets may be purchased in advance, with special discounts on all advance sales.

Bentley College students discuss features of scale model of new 102-acre suburban campus now under construction in Waltham. L. to r., are Joseph Deschenes of Beverly, John Fiato of Arlington, and John F. Costello of Jamaica Plain. After viewing the model, they toured the area where site preparation has already been completed. As students enrolled in the "Introduction to Data Processing" course, they also witnessed a demonstration of the basic usage of tabulating equipment in a sales analysis procedure.

## Women Marines

February 13 is the 23rd Anniversary of the founding of the Women Marines. In commemoration of the event, the Women Marines at Boston's Marine Corps Recruiting Stations are planning a luncheon and get-together to take place in Boston on Sunday, February 13, 1966.

All former Women Marines who reside in the New England area are urged to attend this "Dutch-treat" affair and re-establish their contacts with friends in the Corps.

Interested readers who have served with the Women Marines may obtain further information by calling or writing Staff Sergeant Gloria Gadbois at the U.S. Marine Corps Recruiting Station, 200 Summer st., Boston, Mass. The telephone number is HANcock 6-7217, or contact S/Sgt. Porretta or Sgt. Hill at the Post office, Union Sq., Somerville or call MO 6-4855.

Staff Sergeant Gadbois and her associates are looking forward to a fine luncheon and a gala reunion with as many former Women Marines present as possible. Ladies who wish to attend should contact her without delay.

## SPECTOR - MCCRENSKY

Miss Nancy McCrensky, daughter of Mr. and Mrs. Samuel McCrensky, 11 Ballard rd., Lexington, became the bride of Mr. Reynold Spector, son of Mr. and Mrs. Asher Spector, 33 Elmore st., Arlington, at ceremonies held at the home of the bride, recently.

Rabbi Maurice T. Zigmund officiated.

The bride attended Boston University and is now a senior at Suffolk University Law School.

The bridegroom was graduated as Valedictorian of his class at Arlington high school in 1958. He received his A.B. degree from Harvard college, Cum Laude, in 1962, and was recipient of the Harvard College Scholarship. He is a member of the Bat Club and the Hasty Pudding Institute of 1770; he is also a member of the Harvard Club of Boston.

He is a senior at the Yale Medical school, where he is a member of Alpha Kappa; he was recently elected to the Alpha Omega Alpha Medical Society.

Congressman Torbert Macdonald, third left, was the guest speaker at the meeting of the Kiwanis club of Arlington, Thursday. Also present were members from Somerville and Belmont. Left to right, Rev. Stuart Haskins, first vice president of the Arlington club; Arthur Maranian, second vice president; Congressman Macdonald; James McGuiness, Arlington Kiwanis president; Thomas Kenna, secretary of the local club; and Philip Crane, president of the Somerville Kiwanis club.

## MUSEUM OF SCIENCE

Akiko Mano, 334 Gray st., a student at Cambridge Latin, is among 350 superior New England science students selected by their high school science departments to attend a Science Frontiers lecture at Boston's Museum of Science on Fri. Jan. 21. All of the New England states except Connecticut will be represented.

The lecture is the third in a new series inaugurated by the Museum in November to give outstanding high school students the opportunity to hear world-renowned scientists speak on their chosen field. The first two lectures were given by Jacques-Yves Cousteau, pioneer undersea explorer, and Dr. George R. Harrison, Dean Emeritus of the School of Science at M.I.T.

He went on to explain what the U.S. is doing there and how they happened to get there, going back to the 1954 period.

A lengthy question and answer period was held at the conclusion of his talk.

In answering a question about the possible bombing of the key cities of North Vietnam as a solution to the war, Macdonald noted that we would be taking a calcu-

lated risk if we did decide to bomb. He explained that this could give the Chinese the excuse to pour power into Vietnam.

He concluded his answer to this question by adding that most people feel that it would be a fatal mistake for the U.S. to get into a ground war in Vietnam with the Chinese.

In answer to a query of whether or not the Red Chinese will be admitted to the U.N., Macdonald said he felt they would be admitted.

The Congressman concluded his discussion by stating that the only thing the United States wants out of this situation is the observance of the Geneva agreement which would allow the North Vietnamese to have the type of government they wish and the South Vietnamese to have the type they had prior to 1954.

Macdonald concluded by stating that the U.S. wants to show Russia and Communist China that we will take so much and more.
